Dear Mr. Hunter:

On October 7, 1998, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your October 21, 1998, response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your response states that the \$5000 Primary Election contribution made to the Heather Wilson for Congress Committee, but disbursed after the Primary Election date, was intended for "Primary Election Debt". It appears that the committee did not incur debt during the campaign. Please clarify the corrective action your committee will take to correct this impermissible contribution.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Lucy J.

Denny on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,

A handwritten signature in black ink, appearing to read "John D. Gibson", followed by a horizontal line.
